LABORATORY LIMS & ELN

Pharm Labs hereby states that its Certificates of Analysis (COA) do not certify compliance with any federal, state, or local law or regulation, including but not limited to the 408 Farm Bill. This COA is provided solely for informational purposes and is not intended for reliance by anyone other than purchasers of a product. This report shall not be relied upon, except in full, without the prior written approval of Pharm Labs. This report is not intended to diagnose, treat, cure, or prevent any disease, nor identify any specific sample(s) and batch(es) identified on this COA and do not represent any other lot, batch, or product from the client. Measurement of uncertainty is available upon request and, when legally required, has been reported on the certificate. Pharm Labs makes no representation or warranty, express or implied, regarding the tested products' safety, efficacy, quality, merchantability, or fitness for a particular purpose. Pharm Labs expressly disclaims any liability for damages, claims, costs, or expenses arising out of the use, misuse, or reliance upon this COA by any party. Pharm Labs does not warrant that the information contained herein is true, accurate, complete, or reliable. Pharm Labs does not assume any responsibility for the results obtained from the use of this COA. Pharm Labs does not assume any responsibility for the results obtained from the use of this COA. Pharm Labs determines and ensures the compliance of their product(s) with all applicable federal, state, and local laws and regulations. This COA may not be used in whole or in part for marketing, advertising, promotional, or labeling purposes without the prior written consent of Pharm Labs. This COA is valid only as of the date of issuance and does not guarantee the stability or continued conformance of the tested product beyond that date. Any dispute arising out of or related to this COA shall be governed by the laws of the State of California, without regard to conflict of law principles.
