Pharmlabs hereby states that its Certificates of Analysis (COA) do not certify compliance with any federal, state, or local law or regulation, including but not limited to the 2018 Farm Bill. This COA is provided solely for informational purposes and is not intended for reliance by buyers or purchasers of a product. The results of the analysis are specific to the lot number and batch number of the sample analyzed, and do not represent any other lots or batches of the same product. Results may vary from lot to lot, batch to batch, or over time. The results of the analysis are not intended to be used as evidence of compliance with any applicable federal, state, or local laws or regulations. Pharmlabs expressly disclaims any liability for damages, claims, costs, or expenses arising out of the use of this COA, whether such damages, claims, costs, or expenses arise from the use of this COA or from the use of the product itself. Pharmlabs also disclaims any liability for damages, claims, costs, or expenses arising out of the use of this COA, whether such damages, claims, costs, or expenses arise from the use of this COA or from the use of the product itself. Pharmlabs does not warrant the accuracy, reliability, or completeness of the information contained herein. Pharmlabs does not warrant that the information contained herein will meet any particular requirements of any applicable federal, state, or local laws or regulations. This COA may not be used in whole or in part for marketing, advertising, promotional, or labeling purposes without the prior written consent of Pharmlabs. This COA is valid only as of the date of issuance and does not guarantee the stability or continued conformance of the tested product beyond that date. Any dispute arising out of or related to this COA shall be governed by the laws of the State of California, without regard to conflict of laws principles.
